The Consignor hereby certifies that the product supplied against this certificate is made from New Zealand origin milk and samples have been examined and subjected to laboratory analysis. Such products are manufactured and tested in premises registered under statutory requirements by the New Zealand Ministry for Primary Industries. All premises are subjected to regular audit to ensure compliance with the terms of and conditions of registration.

Products manufactured for export in these establishments are of the same quality as products which are sold and consumed without restriction in New Zealand. The fresh liquid milk from which these products are manufactured is heated during processing to a temperature sufficient to destroy pathogenic organisms.

Laboratory analyses are conducted by methods which conform to recognised international standards. The analytical results show the product to be fit for human consumption.
